

Larwood Health Partnership

Nurse Associate

30- 37.5 Hours Per Week

£23,365

An exciting opportunity has arisen for a compassionate and caring Nurse Associate with a passion for providing excellent patient care to join our friendly and supportive team. We are based over 5 sites in and around the Worksop area (Worksop, Carlton-in-Lindrick, Langold and Harworth)

You will be a registered Nursing Associate with the NMC and will have completed your foundation degree and have GCSE's Grade A-C in maths and English or equivalent.

You will work closely with a multidisciplinary team to deliver health prevention, tackle health inequalities and provide high quality patient centred care, carrying out various procedures including ECGs, dressings, venepuncture, ear irrigations, injections, and annual reviews etc

Whilst a background in primary care is desirable this is not essential.

Closing Date for receipt of applications: 26th April 2022
